Headteacher: Rachael Atkinson

Dear Parent/Carer(s),

We would like to take this opportunity to introduce you to Heathfield Academy, part of STEP Academy Trust. We are a new Academy that opened in September 2015.

We understand and appreciate what an important decision it is when choosing the right school for your child and hope that the following information, our EYFS intent statement and the virtual tour will give you an insight into our outstanding academy and what makes us unique. We are committed to ensuring that every single child, regardless of ethnicity, gender or ability, will reach their full potential in an environment where they are happy and safe. Our aim is for our children to leave at the end of primary school with the skills necessary for lifelong learning so that they grow up to lead successful lives and actively contribute to shaping the future of our society.

We believe that Early Years (Reception) is one of the most important stages of a child's education and one that we are proud of at Heathfield Academy. Our curriculum is guided by the interests and needs of the children, ensuring high expectations allow all children to reach their full potential.

We work in partnership with our parents and carers and the local community in developing a dynamic and inspiring Academy where children thrive, love learning and experience personal success.

If you have any questions, please do not hesitate to contact the Academy Office by telephoning 020 8353 4250 or email [enquiries@heathfieldacademy.org](mailto:enquiries@heathfieldacademy.org) and a member of the Early Years team will be more than happy to answer any of your questions.

Yours Sincerely

Miss Mackay

Deputy Headteacher and Early Years lead
